You will be responsible for these balances. Additionally, it is your responsibility to obtain and track referrals for your visits.

**Returned Checks:** **THERE WILL BE A \$50 RETURNED CHECK FEE ON ALL RETURNED CHECKS.**

**Collection Fees:** You agree to reimburse us the fees of any collection agency, may be based on a percentage at a maximum of 30% of the debt, and all reasonable costs and expenses, including reasonable attorneys' fees incurred in such collection efforts. **FINANCIAL POLICY FOR SLEEP STUDIES:**

**I understand that my insurance company is being billed as a courtesy and I agree that I am financially responsible to pay for any charges not covered by my insurance company. If there is loss or damage of the device, you as the patient are responsible for the cost to replace and/or repair.**

Confirmation of the sleep study appointment is required, or the appointment is subject to cancellation. You must call us one week prior and confirm that you have read all the instructions on our website: [www.mysleepdr.com](http://www.mysleepdr.com) and you are coming for your test.

**A. In facility Sleep Study:**

1. The patient agrees to arrive at the Sleep Center at the appointed date & time of said sleep study.
2. **Failure to arrive without 3 business days' notice will result in a No Call, No Show charge of \$750, which will be billed to your credit card on file.**
3. The sleep study must run for a minimum of 6 hours for the insurance to cover the cost. If you are unable to stay for a minimum of 6 hours, you will be responsible for the full cost of the study. This cost will be charged to the credit card on file.
4. **If the sleep study needs to be canceled or rescheduled, we require a minimum of 3 business days' notice to avoid the \$750 fee.**
5. If the patient cancels after the 3 business days window for an emergency, i.e. hospital admittance, ER visit, etc., proof of medical care is required to avoid a No Call, No Show charge.
6. You agree that your credit card on file will be charged at any time without prior notice if you owe any balance. Payments are non-refundable unless agreed in writing.
7. In lab sleep study operation is very costly to us. We check with your insurance to obtain a prior authorization and, we utilize a professional cleaning company to clean the rooms/sheets. Upon agreeing to schedule a sleep study, a **\$50 facility fee** to cover these costs, will be applied to your credit card. This is nonrefundable in case you change your mind to cancel the study or reschedule it. If you reschedule your sleep study after your insurance authorization is expired, you will pay this \$50 fee again since your prior auth has to be re-done with your insurance and we need to work harder to fill the appointment slots (calling all the other patients and trying to reschedule their appointments etc.) We provide an exceptional service to get the results out within 3 days and see our patients back in 7-10 days after the study is completed therefore patients must understand and agree with our terms.

**B. Home sleep study:**

Must return the device no later than 9 am on the expected drop off date. You are responsible to pay \$100 (hundred dollars for each date) if you are late returning the device. Returning the device late

impacts the other patient's appointment.

**If the home sleep study needs to be canceled or rescheduled, we require a minimum of 3 business days' notice to avoid \$200 fee.** No show to your scheduled appointment to pick up your test will also cost you \$200.

**If the device is lost or damaged \$900 will be charged to your credit card immediately.**

Working with insurance companies could be very time-consuming, checking eligibility, prior authorization for the visit, determining deductible and co-insurance. A team of personnel works on behalf of patients to do all these as well as obtain records and charts preps for your visit with our providers. If the patient changes their mind and cancels or reschedules the appointment, we deal with significant lost time to refill the appointment slot. Therefore, you will be charged \$65 in case of no show or late cancellation (less than 3 business days) for your new patient or follow up visit appointments. Our practice policy is that every patient must have a credit card on file. You can only reschedule your appointments up to two times a year.

Please note these extra charges below to cover our admin cost.

Scheduling and prior authorization admin charge for sleep studies: \$50

No show-late cancellation: \$65

Records transfer and processing fee: \$30
